Amendments to the Specification:

Pursuant to the Examiner's requirements, applicant offers amendments to the specification. In particular, applicant submits herewith a substitute specification, excluding the claims. The substitute specification does not include new matter. Both a marked up version, in which underlining indicates additions and strikethrough indicates deletions, and a clean version of the substitute specification are enclosed. Please replace the specification with the specification.

Attachments: Marked up copy of substitute specification, clean copy of substitute specification.
